Open Homes Nottingham is a charity that provides accommodation for 16-25 year olds who are homeless or living in inappropriate accommodation. Our main project currently is Nottingham Nightstop, which offers emergency accommodation in the homes of trained volunteer hosts.

All of the accommodation we offer provides the homeless young person not just with a roof over their head but with a stable and friendly host family/community to support them.

You are warmly **invited** to an event to launch our new name - Open Homes Nottingham (formerly known as 58i). This will also be the 10th Anniversary celebration of Nottingham Nightstop.

We are pleased to welcome you to come along and find out about the services that we offer and the exciting plans that we have for the future.

**Afternoon Session (12.00pm - 2.00pm)** - Open to all local agencies and the general public. Lunch will be provided. Please come along and talk to us and each other about the projects that are available in our local area. If you would like to have a stall for your service, please contact us for more details.

There will be a short presentation on the work of Open Homes and our exciting new projects at 1.00pm.

**Evening Session (7.30pm - 9.30pm)** - Open to anyone who is interested in finding out more about the work of Open Homes, including volunteering opportunities and other ways that you can get involved and support us. Coffee and cake will be served.

There will be a presentation on our work at 8.00pm.
